

In 1272, Arabic Islamic Muslims invented the condom, using a goat's lower intestine.

In 1873, the British somewhat refined the idea by taking the intestine out of the goat first.

Your brain develops the Negative. Follow instructions below.

This one is the BEST I have seen so far !!!!!

Instructions: 1. Stare at the red dot on the girls nose for 30 seconds.

2. Turn your eyes to a plain surface (your ceiling or blank wall).

3. Blink repeatedly and quickly. Tell me if that isn't the coolest thing?

Maxine at Starbucks

I was in Starbucks recently when I suddenly realized
I desperately needed to fart.
The music was really loud so I timed my fart with the
beat of the music.

After a couple of songs I started to feel better. I
finished my coffee and noticed that everyone was
staring at me

And suddenly I remembered I was listening to my
iPod

...and how was your day?

That's what happens when old people start using
technology !

Advice For An Old Man

I was working out at the gym when I spotted a sweet young thing walking in...

I asked the trainer next to me, "What machine should I use to impress that lady over there?"

The trainer looked me over and said, I would recommend the ATM in the lobby.

**Wouldn't it be amazing,
if this was to be introduced here !**

**This is the actual message you get when you phone the
Australian social services/benefit office! Fantastic....**

**'GOOD MORNING, WELCOME TO "CENTRELINK" THE
AUSTRALIAN SOCIAL SERVICES AND BENEFITS OFFICE'**

"Press '1' if you speak English."

"Press '2' to disconnect until you can.."

Have a nice day.
