

***Subject:* THE AUSSIE VERSION OF CREATION**

In the beginning God created day and night.
He created day for footy matches, going to the beach..... and BBQ's.....

He created night for going prawning,
Sleeping.....
and BBQ's.

On the Second Day, God created water.... for

surfing,  swimming,  and

BBQ's on the beach.

On the Third Day God created the Earth to bring forth
plants  to provide malt and yeast for beer
and wood for BBQs.

On the Fourth Day God created animals and crustaceans 🍖 for chops, sausages, steak and prawns for BBQ's.

On the Fifth day God created a Bloke to go to the footy, enjoy the beach, drink the beer and eat the meat and prawns at BBQ's, and God saw that it was good.

On the Sixth Day God saw that the Bloke was lonely and needed someone to go to the footy, surf, drink beer, eat and stand around the barbie with.

So God created Mates, and God saw that they were good Blokes.

On the Seventh Day God looked around at the twinkling barbie fires, heard the hiss of opening beer cans 🍺 and the raucous laughter of all the Blokes. He smelled the aroma of grilled chops and sizzling prawns and God Saw that it was good

Well..... Almost good.....

He saw that the Blokes were too tired to clean up and needed a rest.

So God created Sheilas to clean the house, to bear children, to wash, to cook and to clean the Barbie, and then God saw that it was not just good.....

It was Bloody Awesome!

IT WAS AUSTRALIA !!!!!

The importance of an occupation after retirement

As we get older we sometimes begin to doubt our ability to "make a difference" in the world. It is at these times that our hopes are boosted by the remarkable achievements of other "seniors" who have found the courage to take on challenges that would make many of us wither.

Harold Schlumberg is such a person:

THIS IS QUOTED FROM HAROLD:

"I've often been asked, 'What do you do now that you're retired?'

Well...I'm fortunate to have a chemical engineering background and one of the things I enjoy most is converting beer, wine and whiskey into urine.

It's rewarding, uplifting, satisfying and fulfilling.

I do it every day and I really enjoy it !"

Harold is an inspiration to us all.

Never mind horse meat in burgers, this is a lot more worrying!

Medical Marvel

A Pakistani immigrant goes to a Doctor and says,
"I feel terrible !"

The Doctor says,
"You need to pee and poo in a bucket for a week,
Throw in a dead fish and a rotting cabbage.

Put a towel over your head and inhale the vapours for 3 days".

The man does this and goes back to the Doctor and says,
"I feel wonderful! What was wrong with me?"

"You were homesick !!!"

WALKING THE DOG

A woman was flying from Seattle to San Francisco .

Unexpectedly, the plane was diverted to Sacramento along the way.

The flight attendant explained that there would be a delay, and if the passengers wanted to get off the aircraft the plane would re-board in 50 minutes.

Everybody got off the plane except one lady who was blind.

A man had noticed her as he walked by and could tell the lady was blind because her guide dog lay quietly underneath the seats in front of her throughout the entire flight.

He could also tell she had flown this very flight before because the pilot approached her and, calling her by name, said, "Kathy, we are in Sacramento for almost an hour. Would you like to get off and stretch your legs?"

The blind lady said, "No thanks, but maybe Buddy would like to stretch his legs."

Picture this:

All the people in the gate area came to a complete standstill when they looked up and saw the pilot walk off the plane with a guide dog for the blind!
Even worse, the pilot was wearing sunglasses!

People scattered. They not only tried to change planes, but they were trying to change airlines!

True story.....

Have a great day and remember....

THINGS AREN'T ALWAYS AS THEY APPEAR.

Australian Love Poem

**Of course I love ya darlin
You're a bloody top-notch bird
And when I say you're gorgeous
I mean every single word**

**So ya bum is on the big side
I don't mind a bit of flab
It means that when I'm ready
There's somethin' there to grab**

**So your belly isn't flat no more
I tell ya, I don't care
So long as when I cuddle ya
I can get my arms round there**

**No Sheila who is your age
Has nice round perky breasts
They just gave in to gravity
But I know ya did ya best**

**I'm tellin' ya the truth now
I never tell ya lies
I think it's very sexy
That you've got dimples on ya thighs**

**I swear on me nanna's grave now
The moment that we met
I thought you was as good as
I was ever gonna get**

**No matter what u look like
I'll always love ya dear
Now shut up while the cricket's on
And fetch another beer**

Fair brings a lump to yer throat don't it!!

Celibacy can be a choice in life, or a condition imposed by circumstances.

While attending a harmony for couples weekend, Dave and his Partner, Ann, listened to the instructor declare, "It is essential that husbands and wives know the things that are important to each other."

He then addressed the men, "Can you name and describe your wife's favourite flower?"

Dave leaned over, touched Ann's arm gently, and whispered, "It's Homepride, isn't it?"

Thus began Dave's life of celibacy.

A frustrated wife buys a pair of crotchless panties in an attempt to spice up her dead sex-life. She puts them on, together with a short skirt and sits on the sofa opposite her husband. At strategic moments she uncrosses her legs

... enough times that her husband finally asks, "Are you wearing crotchless panties?"

"Y-e-s," she answers with a seductive smile.

"Thank God - I thought you were sitting on the cat!"

Read to the end before making a decision.

This test only has one question, but it's a very important one.

By giving an honest answer, you will discover where you stand morally.

The test features an unlikely, completely fictional situation in which you will have to make a decision.

Remember that your answer needs to be honest,
yet spontaneous!

Please scroll down slowly and give due consideration to each line.

*** THE SITUATION: ***

You are in London.

There is chaos all around you caused by a hurricane with severe flooding.

This is a flood of biblical proportions.

You are a photo-journalist working for a major newspaper and you're caught in the middle of this epic disaster.

The situation is nearly hopeless.

You're trying to shoot career-making photos.

There are houses and people swirling around you, some disappearing into the water.

Nature is unleashing all of its destructive fury.

*** THE TEST: ***

Suddenly, you see a man in the water.

He is fighting for his life, trying not to be taken down with the debris.

You move closer...Somehow, the man looks familiar....

You suddenly realise who it is....

It's the Muslim Cleric, Abu Hamza, the one-eyed, hook-handed bastard who hates non-Muslims and wants the UK to become an Islamic state!

You notice that the raging waters are about to take him under forever.

You have two options:

(1) You can save the life of Abu Hamza

or

(2) You can shoot a dramatic Pulitzer Prize winning photo, documenting the death of one of the country's most despised, evil and powerful men!

*** NOW THE QUESTION ***
(AND PLEASE GIVE AN HONEST ANSWER)

Would you select high contrast colour film, or just go with the classic simplicity of black and white?

A TOURIST BOARD SLOGAN FROM

The city of **Agra** in India.

THE WOODEN BALL TRICK

An old man walked into the barbershop for a shave and a haircut. He told the barber he can't get all the whiskers off because his cheeks are too wrinkled from age. The barber got a little wooden ball from a cup on the shelf and told him to put it inside his cheek to spread out the skin. When he'd finished, the old man told the barber that was the cleanest shave he'd had in years. But he wanted to know what would have happened if he had swallowed the little ball.

The barber replied,

"Just bring it back in a couple of days -

like everyone else does !"

Just Like the Club

The British Way

A fleeing Taliban, desperate for water, was plodding through the Afghan desert when he saw something far off in the distance. Hoping to find water, he hurried toward the oasis only to find a British Fusilier selling regimental ties.

The Taliban asked, "Do you have water?"

The soldier replied, "There is no water, the well is dry. Would you like to buy a tie instead? They are only £5."

The Taliban shouted, "You idiot infidel! I do not need an over-priced tie. I need water! I should kill you, but I must find water first!"

"OK," said the soldier, "It does not matter that you do not want to buy a tie and that you hate me. I will show you that I am bigger than that, and that I am a much better human being than you. If you continue over that hill to the east for about two miles, you will find our Sergeant's Mess. It has all the ice cold water you need. Inshallah."

Cursing him, the Taliban staggered away over the hill.

Several hours later he staggered back, collapsed with dehydration & rasped ... "They won't let me in without a f-----g tie!"

~ **Bill Gates** ~

This should be posted in every school or kid's bedroom.

Love him or hate him , he sure hits the nail on the head with this.!!!

Bill Gates recently gave a speech at a High School about eleven (11) things they did not and will not learn in school.

He talks about how feel-good, politically correct teachings created a generation of kids with no concept of reality and how this concept set them up for failure in the real world.

Rule 1 : Life is not fair - get used to it!

Rule 2 : The world doesn't care about your self-esteem. The world will expect you to accomplish something BEFORE you feel good about yourself.

Rule 3 : You will NOT make \$60,000 a year right out of high school. You won't be a vice-president with a car phone until you earn both.

Rule 4 : If you think your teacher is tough, wait till you get a boss

Rule 5 : Flipping burgers is not beneath your dignity. Your Grandparents had a different word for burger flipping: They called it opportunity.

Rule 6 : If you mess up, it's not your parents' fault, so don't whine about your mistakes, learn from them.

Rule 7 : Before you were born, your parents weren't as boring as they are now. They got that way from paying your bills, cleaning your clothes and listening to you talk about how cool you thought you were:

So before you save the rain forest from the parasites of your parent's generation, try delousing the closet in your own room..

Rule 8 : Your school may have done away with winners and losers, but life HAS NOT. In some schools, they have abolished failing grades and they'll give you as MANY TIMES as you want to get the right answer..

*This doesn't bear the slightest resemblance to ANYTHING in real life.

Rule 9 : Life is not divided into semesters. You don't get summers off and very few employers are interested in helping you FIND YOURSELF.

*Do that on your own time.

Rule 10 : Television is NOT real life. In real life people actually have to leave the coffee shop and go to jobs.

Rule 11 : Be nice to nerds. Chances are you'll end up working for one.

If you can read this...Thank a Teacher.

If you can read this in English...Thank a Soldier!

And for life and everything else you have...Thank God!!

Heavenly Hotel front desk,

"Sure they are son, but that's called 'racism.'"

Importance of Tax Return Accuracy

HMRC has returned the Tax Return of a man in Evesham after he apparently answered one of the questions incorrectly.

In response to the question 'Do you have anyone dependent on you?' the man wrote '2.1 million illegal immigrants, 1.1 million crackheads, 4.4 million unemployable Jeremy Kyle scroungers, 900,000 criminals in over 85 prisons, plus 650 idiots in parliament and the whole of the European Commission.'

HMRC stated that the response was unacceptable.

The man's response to HMRC was 'Who did I miss out?'

As reported in the Valley News January 13 2013

Subject: Australian Bar Scene

A man walks into his crowded local bar brandishing a revolver yelling,

"Who's the bastard here who's been screwing my wife?"

A voice from the back of the bar shouts;

"You don't have enough ammo, mate"

THIS COULD BE US SOMEDAY!

A couple in their nineties are both having problems remembering things. During a check-up, the doctor tells them that they're physically okay, but they might want to start writing things down to help them remember ..

Later that night, while watching TV, the old man gets up from his chair. 'Want anything while I'm in the kitchen?' he asks.

'Will you get me a bowl of ice cream?'

'Sure.'

'Don't you think you should write it down so you can remember it?' she asks.

'No, I can remember it.'

'Well, I'd like some strawberries on top, too. Maybe you should write it down, so as not to forget it?'

He says, 'I can remember that. You want a bowl of ice cream with strawberries.'

'I'd also like whipped cream. I'm certain you'll forget that, write it down?' she asks.

Irritated, he says, 'I don't need to write it down, I can remember it! Ice cream with strawberries and whipped cream - I got it, for goodness sake!'

Then he toddles into the kitchen. After about 20 minutes, the old man returns from the kitchen and hands his wife a plate of bacon and eggs. She stares at the plate for a moment.

'Where's my toast?'

An elderly couple had dinner at another couple's house, and after eating, the wives left the table and went into the kitchen.

The two gentlemen were talking, and one said, 'Last night we went out to a new restaurant and it was really great. I would recommend it very highly.'

The other man said, 'What is the name of the restaurant?'

The first man thought and thought and finally said, 'What's the name of that flower you give to someone you love? You know, the one that's red and has thorns.'

'Do you mean a rose?'

'Yes, that's the one,' replied the man. He then turned towards the kitchen and yelled, 'Rose, what's the name of that restaurant we went to last night?'

Hospital regulations require a wheel chair for patients being discharged. However, while working as a student nurse, I found one elderly gentleman already dressed and sitting on the bed with a suitcase at his feet, who insisted he didn't need my help to leave the hospital.

After a chat about rules being rules, he reluctantly let me wheel him to the elevator.

On the way down I asked him if his wife was meeting him.

'I don't know,' he said. 'She's still upstairs in the bathroom changing out of her hospital gown.'

A senior citizen said to his eighty-year old buddy:

'So I hear you're getting married?'

'Yep!'

'Do I know her?'

'Nope!'

'This woman, is she good looking?'

'Not really.'

'Is she a good cook?'

'Naw, she can't cook too well.'

'Does she have lots of money?'

'Nope! Poor as a church mouse.'

'Well, then, is she good in bed?'

'I don't know.'

'Why in the world do you want to marry her then?'

'Because she can still drive!'

A man was telling his neighbour, 'I just bought a new hearing aid. It cost me four thousand dollars, but it's state of the art. It's perfect.'

'Really,' answered the neighbour. 'What kind is it?'

'Twelve thirty.'

Morris, an 82 year-old man, went to the doctor to get a physical.

A few days later, the doctor saw Morris walking down the street with a gorgeous young woman on his arm.

A couple of days later, the doctor spoke to Morris and said, 'You're really doing great, aren't you?'

Morris replied, 'Just doing what you said, Doc: 'Get a hot mamma and be cheerful.''

The doctor said, 'I didn't say that.. I said, 'You've got a heart murmur; be careful.'

One more. . .!

A little old man shuffled slowly into an ice cream parlour and pulled himself slowly, painfully, up onto a stool... After catching his breath, he ordered a banana split.

The waitress asked kindly, 'Crushed nuts?'

'No,' he replied, 'Arthritis.'

Sometimes it DOES take a Rocket Scientist!! (true story)..

FROM ROLLS-ROYCE STAFF MAGAZINE

Scientists at Rolls Royce built a gun specifically to launch dead chickens at the windshields of airliners and military jets all travelling at maximum velocity.

The idea is to simulate the frequent incidents of collisions with airborne fowl to test the strength of the windshields.

American engineers heard about the gun and were eager to test it on the Windshields of their new high speed trains.

Arrangements were made, and a gun was sent to the American engineers.

When the gun was fired, the engineers stood shocked as the chicken shot out of the barrel, crashed into the shatterproof shield, smashed it to smithereens, blasted through the control console, snapped the engineer's back-rest in two and embedded itself in the back wall of the cabin like an arrow shot from a bow..

The horrified Americans sent Rolls Royce the disastrous results of the experiment, along with the designs of the windshield and begged the British scientists for suggestions.

You're going to love this.....

Rolls Royce responded with a one-line memo:

"Defrost the chicken."

So hungry you
could eat a horse?

We've got you covered

This just in - according to a Gallop poll, 83 per cent of people are fed up with Tesco burger jokes.

For the rest of you:

Hamburgers - an anagram of "Shergar Bum" - coincidence?

To eat or not eat a Tesco burger - that is equestrian.

I had one of them horse burgers - gave me the trots

I've just checked the Tesco burgers in my fridge.....AND THEY'RE OFF!

The Food Standards Agency have started a National Hunt for the guilty parties.

Tesco mini burgers - horsed'oeuvre or mane?

I like mine cooked medium to Redrum

They are sold in France as Tesco Cheval ue

They found horse DNA? - what's the National Dyslexics Association got to do with this story?

Do you prefer your burger medium rare, or good to firm?

You know what they say, Shergar and spice and all things nice

What do you drink with horse meat - eqWine?

What's next? Unicorn in Tesco sweetcorn?

If you're burger is 75 per cent beef, does that make it a Quarterhorse?

How do you eat a horse burger - put a bit in your mouth, silly!

What cheese do you have with a Tesco burger - mascarpone of course!

It gets worse, now they've found traces of zebra in Tesco bar codes

I went to a Tesco café yesterday and ordered a burger. They asked me if I wanted anything on it, and I said: 'Yes — a fiver each way.'

Does anyone have a tooth pick? I had a Tesco burger last night and there's still a bit between my teeth.

My daughter has always wanted a pony, so I'm buying her a Tesco Quarter Pounder for her birthday.

My doctor told me to watch what I eat, so I went out and bought tickets for the Grand National.

If you think horse meat's bad, wait until you try Tesco's veggie burgers. They're made of genuine uniQuorn.

Scientist: 'Sir, we've discovered horse meat in your burgers.'

Tesco boss: 'Why the long face?'

I won't eat Tesco burgers. They may be low in fat, but they have a very high Shergar content.

Tesco are giving treble points on your Clubcard for all burgers and petrol, starting today. The deal's called Only Fuel and Horses.

What do you call a burnt Tesco burger? Black Beauty.

A motorist gets pulled over by a police officer, who asks him to blow into a breathalyser. The machine beeps.

'I'm sorry Sir,' says the officer. 'You're over the limit. Can you tell me what you have had tonight?'

'Nothing Officer,' replies the man. 'Just a burger from Tesco.'

'That explains it,' says the policeman. 'I knew I could smell Red Rum.'

They've found horse meat in Tesco burgers? It's an unbridled disaster.

A Tesco burger walks into a bar. 'A pint please.'

'I can't hear you,' says the barman.

'Sorry' replies the burger. 'I'm a little bit horse.'

I selected some burgers on the Tesco website. And then clicked 'Add to cart.'

A woman has been taken to hospital after eating Tesco burgers. Her condition is said to be stable.

I used to work on the Tesco meat counter, but it was like flogging a dead horse.

Last night I ate a Tesco burger, an Iceland burger and an Aldi burger to find out which had the best taste.

Tesco won by a short head.

I think someone may be sending me death threats. I woke up this morning with a Tesco burger in my bed.

I bought an 'award-winning' Tesco burger. I didn't realise they meant it had won the Cheltenham Gold Cup.

I used to work for Tesco, but I was fired. I got an email about a delivery of horse meat and I marked it as spam.

Horse meat in Tesco burgers? What are the odds on that?

I tried to take some burgers back to Tesco but they said they wouldn't accept them. Looks like I'm saddled with them.

Husband: 'I'm so hungry I could eat a horse.'

Wife: 'Why don't you go to Tesco?'

Personally, I think people who don't like eating horse meat are being a bit blinkered. Despite the recent news, Tesco says that their beef burger sales remain stable.

I won't be switching to Tesco Finest burgers. They're so expensive that buying enough for a big family dinner won't leave you much change from a pony.

I was going to give up fast food for January, but I fell at the final hurdle and had a Tesco burger.

Just been to Tesco and bought a bottle of Bacardi, a bottle of Lamb's and some burgers. So that's white rum, navy rum and Red Rum.

Unused HMV vouchers are now being accepted at Tesco. Just tell them HMV means 'Horse Meat Voucher'.

Despite the recent scandal, Tesco insist they use only meat of the highest quality. A spokesman said: 'Our meat has to clear several hurdles before it goes on sale.'

What's in this burger? It just jumped over my chips.

I don't know why there's a fuss all of a sudden. There's been horse meat in Tesco burgers for donkey's years.

I like my burgers with a side saddle and neighonnaise.

I hope Tesco were selling those burgers at hoof price.

So there's horse meat in Tesco's burgers. Don't worry, it's not the mane ingredient.

Forget the Everyday Value burgers — I only eat those mini-burgers you have as snacks. You know, the horse d'oeuvres.

I bought some Tesco burgers — I wanted to get venison ones, but they were dead dear.

I ordered a Tesco burger the other day — but asked them to hold the dressage.

Tesco would've got away with it if it wasn't for the DN Neigh test.

Other supermarkets are now racing to catch up - coming soon.....My Lidl Pony

Walking Eagle

On a recent trip to the United States , Tony Blair, Ex. Prime Minister of the UK , addressed a major gathering of Native American Indians.

He spoke for almost an hour on his plans for a Carbon Trading Tax for the UK and Europe

At the conclusion of his speech, the crowd presented him with a plaque inscribed with his new Indian name - **Walking Eagle**.

A very chuffed Tony then departed in his motorcade, waving to the crowds..

A news reporter later asked one of the Indians how they came to select the new name given to Tony Blair

They explained that **Walking Eagle** is the name given to a bird so full of shit that it can no longer fly.

The Dot ●

For centuries, Hindu women have worn a dot on their foreheads. Most of us have naively thought this was connected with tradition or religion, but the Indian embassy in London has recently revealed the true story. When a Hindu woman gets married, she brings a dowry into the union. On her wedding night, the husband scratches off the dot to see whether he has won a Convenience Store, a Petrol Station, a Post Office, a Taxi cab, or a Curry Restaurant in U.K.

If nothing is there, he must remain in India to answer telephones and provide us with B.T. technical advice.

Two dwarfs go into a bar, where they pick up two ' working girls ' and take them to their separate hotel rooms for an hour of pleasure.

The first dwarf, however, is unable to get an erection.

His depression is made worse by the fact that, from the next room, he hears his friend shouting out cries of, "Here I come again! ONE, TWO, THREE UGH! "

" Here I come again! ONE, TWO, THREE.... UGH!"

"Here I come again! ONE, TWO, THREE ... UGH!"

This goes on for the whole hour.

Later back at the bar, the second dwarf asks the first, " How did it go? "

The first mutters, " It was embarrassing. I just couldn't get an erection."

The second dwarf shook his head.

**"You think that's embarrassing?
I couldn't get on the bed !!"**

This guy is Alvaro Alfkonso de Miranda Neto, a professional golfer:

He was married to --- this woman.

Her name is Cibele Dorsa.

She is a Brazilian swimsuit, Victoria's Secret, and Playboy model.

He divorced her because he fell in love with this woman:

These two are very happily married right now.

Some people argue that love is blind.

This story clearly proves it...

It proves that men are capable of real love;

Truly seeing a person's inner beauty, and

Not basing their decisions solely on looks.

Oh, and by the way...

The new girl is Athina Onassis.

Love stories like this kinda bring a tear to your eye, don't they?

ON JULY 20, 1969, AS COMMANDER OF THE APOLLO 11 LUNAR MODULE, NEIL ARMSTRONG WAS THE FIRST PERSON TO SET FOOT ON THE MOON.

HIS FIRST WORDS AFTER STEPPING ON THE MOON, "THAT'S ONE SMALL STEP FOR MAN, ONE GIANT LEAP FOR MANKIND," WERE TELEVISED TO EARTH AND HEARD BY MILLIONS.

BUT JUST BEFORE HE RE-ENTERED THE LANDER, HE MADE THE ENIGMATIC REMARK - "GOOD LUCK, MR. GORSKY."

MANY PEOPLE AT NASA THOUGHT IT WAS A CASUAL REMARK CONCERNING SOME RIVAL SOVIET COSMONAUT. HOWEVER, UPON CHECKING, THERE WAS NO GORSKY IN EITHER THE RUSSIAN OR AMERICAN SPACE PROGRAMS .

OVER THE YEARS, MANY PEOPLE QUESTIONED ARMSTRONG AS TO WHAT THE - 'GOOD LUCK, MR. GORSKY' STATEMENT MEANT, BUT ARMSTRONG ALWAYS JUST SMILED.

ON JULY 5, 1995, IN TAMPA BAY, FLORIDA , WHILE ANSWERING QUESTIONS FOLLOWING A SPEECH, A REPORTER BROUGHT UP THE 26-YEAR-OLD QUESTION ABOUT Mr Gorsky TO ARMSTRONG.

THIS TIME HE FINALLY RESPONDED BECAUSE MR. GORSKY HAD DIED, SO NEIL ARMSTRONG FELT HE COULD NOW ANSWER THE QUESTION. HERE IS THE ANSWER TO "WHO WAS MR GORSKY":

IN 1938, WHEN HE WAS A KID IN A SMALL MID-WESTERN TOWN , HE WAS PLAYING BASEBALL WITH A FRIEND IN THE BACKYARD. HIS FRIEND HIT THE BALL, WHICH LANDED IN HIS NEIGHBOR'S YARD BY THEIR BEDROOM WINDOW.

HIS NEIGHBORS WERE MR. AND MRS. GORSKY. AS HE LEANED DOWN TO PICK UP THE BALL, YOUNG ARMSTRONG HEARD MRS. GORSKY SHOUTING AT MR. GORSKY,

"SEX! YOU WANT SEX?! YOU'LL GET SEX WHEN THE KID NEXT DOOR WALKS ON THE MOON!"

It broke the place up.

NEIL ARMSTRONG'S FAMILY CONFIRMED THIS IS A TRUE STORY.

Our plan gives anyone 65 years or older a gun and 4 bullets. You are allowed to shoot four Politicians.

Of course, this means you will be sent to prison..... where you will get three meals a day, a roof over your head, central heating, air conditioning and all the health care you need!

Need new teeth? No problem. Need glasses? That's great. Need a new hip, knees, kidney, lungs or heart? They're all covered.

As an added bonus, your kids can come and visit you as often as they do now.

And who will be paying for all of this? It's the same government that just told you that they cannot afford to pay for your nursing care.

And you can get rid of 4 useless politicians while you are at it.

Plus, because you are a prisoner you don't have to pay income tax.

Is this a great country or what?

Always choose a memorable password!

*A wife helps her husband install a new computer.
Once it is completed, she tells him to select a password,
a word that he'll always remember.*

*As the computer asks him to enter it, he looks at his wife and with a
macho gesture and a wink in his eye, he selects a word, but he is
annoyed with her reaction when he selects:*

mypenis.

*As he hits "enter", to validate the selection, his wife
collapses with laughter and rolls on the floor in hysteria*

The computer had replied:

TOO SHORT- ACCESS DENIED!

Abdullah in the nursing home

An Arab family was considering putting their grandfather (Abdullah) in a nursing home. All the Arab Facilities were completely full, so they had to put him in an Italian home.

After a few weeks in the Italian facility, they came to visit Grandpa.

"How do you like it here?" asked the grandson

"It's wonderful! Everyone here is so courteous and respectful," said grandpa.

"We're so happy for you. We were worried that this was the wrong place for you, since you are a little different from everyone."

"Oh, no! Let me tell you about how wonderfully they treat the residents," Abdullah said with a big smile.

"There's a musician here - he's 85 years old. He hasn't played the violin in 20 years, and everyone still calls him Maestro!

There is a judge in here - he's 95 years old. He hasn't been on the bench in 30 years and everyone still calls him Your Honour!

There's a dentist here - 90 years old. He hasn't fixed a tooth for 25 years, and everyone still calls him Doctor!

And Me - I haven't had sex for 35 years, and they still call me The Fucking Arab.
