Always choose a memorable password!

A wife helps her husband install a new computer.
Once it is completed, she tells him to select a password,
a word that he'll always remember.
As the computer asks him to enter it, he looks at his wife and with a
macho gesture and a wink in his eye, he selects a word, but he is
annoyed with her reaction when he selects:
mypenis.
As he hits "enter", to validate the selection, his wife
collapses with laughter and rolls on the floor in hysteria

The computer had replied:

TOO SHORT- ACCESS DENIED!

Abdullah in the nursing home

An Arab family was considering putting their grandfather (Abdullah) in a nursing home All the Arab Facilities were completely full, so they had to put him in an Italian home.

After a few weeks in the Italian facility, they came to visit Grandpa.

"How do you like it here?" asked the grandson

"It's wonderful! Everyone here is so courteous and respectful," said grandpa.

"We're so happy for you. We were worried that this was the wrong place for you, since you are a little different from everyone."

"Oh, no! Let me tell you about how wonderfully they treat the residents," Abdullah said with a big smile.

"There's a musician here - he's 85 years old. He hasn't played the violin in 20 years, and everyone still calls him Maestro!
